

#4 Pecorello/Daniels - 3 vs #1 Brown/Bialak - 0

No one knew this match was played. Tim Brown was unavailable. As with any warrior, the Mayor would play this match by himself. It didn't work out as Joe Pecorello and Dave Daniels would birdie holes 4 and 6 in routing the defending champions. In the "It Doesn't Matter Who Won The Hole Department," Mayor John would win 4, push 3 and lose 2 holes. Yes it was nice and quiet out there last week.

TP Golf Weekly

#15 Girmonde, Jr./Suppa - 3 vs #12 DiRiso/Gorea - 0

Continuing with the quiet theme, Tony Suppa would play this match without Dave Girmonde, Jr. Tony will offer Dave to stay away again in the future as he would win this match over the Union Label, 3-0. By the end of the fifth hole, Tony was so far ahead, the fat lady started warming up. Keeping score, the final tally was 5 holes won, 3 pushes and 1 hole lost. Frank DiRiso continues his fine play, Greg Gorea didn't have a great day. Suppa was just too much.

Team #8 Hickel/Wallace - 3 vs #19 Bunal/Hamlin - 0

Will Wallace would play this match without Richie Hickel. He was with Dave Girmonde, Jr.. Will was happy without the noise and played this match as if it was for the final. He would win this match over rookie Chris Bunal, 3-0. Chris's partner wasn't around either. It was a close match all the way. Will would win hole #2 and push the rest for a 1-8-0 record . But again, who cares who wins the holes. The final score is the name of the game here.

#5 Blunt/Lubey - 3 vs #3 Nucci/Gooldy - 0

Bill Blunt and Lance Lubey play a good round as Vinnie Nucci and Eric Gooldy didn't. There is the difference in this round. The winners played steady, yet unspectacular, while Vinnie and Eric played poorly, yet unspectacular. One shining moment for Eric Gooldy as he birdied #6. Vinnie Nucci must have run out of cigars on the first hole as he played his worst round of the year. Enough said.

#14 Cahill/Stern - 3 vs #13 Girmonde, Sr. - 0

Wow, what happened here? The Girmonde duo was pegged to win this match. I would have bet my last dollar on that one, even though it was against my partner and myself. The final outcome was a whitewash for the underdogs, Pete and Dave. The day started with a text message from Mr Girmonde, Sr. to Dave Stern to have a free cart if he played an

early round. You see, Dave Stern has vowed not to play early any longer and his rapidly deteriorating game of golf continues to drain the life out of him. Team Girmonde would shoot a horrific score. Sam shot a 53. There I said it. I didn't want to but I couldn't help it. News of his score reached world wide. I don't know how, but its true. Dave Sr. didn't do much better in shooting a 45. It was as bad of a day that you could imagine. The winners didn't do much better as both players didn't break 50. It was just enough to win. Oy Vey

#6 D'Amico/D'Amico, Jr - 2 1/2 vs #2 Niemers/
Bialak - 1/2

Team D'Amico would win only 2 holes and nearly swept league runners-up, Don Neimers and John Bialak. This was close through out. Gene and Gene used their strokes perfectly as the final outcome was decided by the strokes given. The scores were good on all fronts. Too bad someone had to lose.

#11 Berge/Zegarelli - 2 vs #16 Tripp/Sadallah - 1

Shane Berge and Nick Zegarelli played nearly a perfect round of golf in winning their match over one-time league champs, Dom Tripp and John Sadallah. In the unimportant hole by hole blow, the winners would enjoy a 3-1 lead after 4 holes. After a

push on hole #5, the winners would sweep the rest and waltz away with the victory.

#9 Grabinski/Welch - 1 1/2 vs #18 Albertina/
Albertina 1 1/2

Gary Grabinski and Lee Welch would win this match in dominating fashion. The recap tells us that Gary and Lee would enjoy a 3-1-0 lead after four holes. A birdie on #5 by young Albertina helped his team to a win on said hole. Gary and Lee would win the last 4 holes with a exclamation point on #9 when Gary made birdie to close out the match.

Ok, first things first. The Tee box on #9 will always be on top. If the White tee is in the lower box, don't

The 19th Hole:

worry about it. You will still tee off on top. The reason we do that is to stop guys from going down #1, a distinct advantage to a long hitter. So remember, tee off on top...There are no rain make-ups this year. For those weeks we didn't play, there is a credit for a 9-hole round of golf for you to use any your leisure. See Gary for details...Not much going on this week, so I'll see you later...
